1718 Yale Boulevard SE Campus OR 1255 Old Coors Road SW Campus

Mission Achievement and Success (MAS) Charter School is an "A" rated, **FREE** public charter school that opened in 2012. We offer a K-12 college preparatory program for **any** student desiring to be **college bound**, regardless of current or past academic performance. We serve all students including students with disabilities, English language learners, and gifted students. In the 2018-2019 school year we will serve students in grades K-12 at our 1718 Yale Boulevard SE location. MAS anticipates opening a second campus in the 2018-2019 school year as well. The campus location for our second site is tentatively planned for 1255 Old Coors Road SW, Albuquerque, NM. We will serve students in grades K-1 at this site with the plan to add a grade level each year thereafter until we serve students in grades K-12 at the 1255 Old Coors Road SW location as well. Please mark below WHICH campus you are applying for and please note the difference in grade levels served at each campus for the 2018-2019 school year.

All students are admitted through a blind lottery process. There are no admissions requirements or interviews, and there are no tuition fees. Our lottery is held on the second Friday of April each year. Student applications received after our lottery will be awarded a seat on a first come, first served basis, if seats are available. If seats are unavailable, the student will be placed on a waitlist in the order in which their application was received.

Regardless of which location you are applying to attend, completed applications can be mailed to 1718 Yale Boulevard SE, Albuquerque, New Mexico 87106, faxed to 505-242-3062, or emailed to lottery@mascharterschool.com. If you have additional questions about MAS or our application and lottery process, please contact us at 505-242-3118 or visit our website at www.mascharterschool.com. Thank you for your interest in our school and in your child's future.
