## 2018-2019 CHARTER SCHOOL APPLICATION FORM

### 1718 Yale Boulevard Campus ONLY

Mission Achievement and Success (MAS) is an "A" rated, **FREE** public charter school that opened in 2012. We offer a K-12 college preparatory program for **any** student desiring to be **college bound**, regardless of current or past academic performance. We serve all students including students with disabilities, English language learners, and gifted students. In the 2018-2019 school year we will serve students in grades K-12. MAS anticipates opening a second campus in the 2018-2019 school year. The campus location for our second site has yet to be determined, but will open with grades K-1 with the plan to add a grade level each year thereafter until we serve students in grades K-12 at that location as well. A separate lottery application will need to be submitted for this campus as this application is **ONLY** applicable to our Yale Boulevard location. Please check our website as we will provide updates through our website as information becomes available.

All students are admitted through a blind lottery process. There are no admissions requirements or interviews, and there are no tuition fees. Our lottery is held on the second Friday of April each year. Student applications received after our lottery will be awarded a seat on a first come, first served basis, if seats are available. If seats are unavailable, the student will be placed on a waitlist in the order in which their application was received.

Completed applications can be mailed to 1718 Yale Boulevard SE, Albuquerque, New Mexico 87106, faxed to 505-242-3062, or emailed to [lottery@mascharterschool.com](mailto:lottery@mascharterschool.com). If you have additional questions about MAS or our application and lottery process, please contact us at 505-242-3118 or visit our website at [www.mascharterschool.com](http://www.mascharterschool.com). Thank you for your interest in our school and in your child's future.
